

Passerinvest Group Environment Policy

As a leading development company, Passerinvest group, a.s. is fully committed to delivering sustainable solutions to our Clients and minimising our own operational impacts on the environment. As the employer, the Group Board accepts ultimate responsibility for environmental management and for ensuring that these responsibilities are discharged appropriately throughout the Passerinvest group, a.s.

In the context of our environmental policy, Passerinvest group a.s. undertakes to:

- We will conduct our activities in full knowledge of and in compliance with environmental regulations.
- We will reduce the volume of waste within our buildings and estate by recycling and reducing consumption of all materials used within our buildings and estates both in daily operations.
- We will integrate environmental considerations and objectives into our business decisions.
- We will continually improve reducing the incidence of negative impacts from our activities on the environment.
- We will minimise consumption of natural resources and wastage of materials as far as economically practicable.
- We will establish environmental objectives and targets and measure performance against them.
- We will encourage our clients to think about how their businesses affect the environment and throughout our business, will provide professional advice that is consistent with this aim.
- We will regularly review the effectiveness of this policy to ensure it remains relevant and appropriate.
