

## Dear tenants of BB Centrum,

Summer is setting in, and to make these days more pleasant, we are bringing another eReview, this time its June edition. What will you find out there? The latest news is that UniCredit Group, Czech Republic, will have new headquarters in Building FILADELFIE. The lease agreement was signed on Wednesday 1 June and the Group will occupy 14 floors (out of the total of 17). Also, we would like to remind you that, during the summer months, you can also benefit from the services of the multipurpose sports ground in Baarova Street. Finally, you will find out who won the 11th year of the tournament, BB Centrum Cup 2011.

We wish you pleasant reading and nice summer days.

On behalf of the eReview editorial team

## FILADELFIE office building to become the new head office for UniCredit Group in the Czech Republic

UniCredit Bank Czech Republic and other member companies of UniCredit Group – UniCredit Leasing CZ, UniCredit CAIB Czech Republic, UGIS (UniCredit Global Information Services) and UniCredit Business Partner – are moving house this autumn to the new Filadelfie administrative building in the BB Centrum complex at Prague 4. Its developer is the company PASSERINVEST GROUP, and the building is part of a modern administrative complex boasting very good transportation access and full community amenities. The rental contract was signed Wednesday, 1 June 2011.

The UniCredit Group member companies will have at their disposal 14 of the total 17 floors, which represents approximately 26,700 m<sup>2</sup> of leasable area. A new UniCredit branch will be established on the ground floor, offering services especially for retail clients. Advisory company DTZ and the Clifford Chance law office provided significant assistance to UniCredit Group in the contract preparations. In selecting its new head office, and in addition to very good transportation access, the key factor for UniCredit Bank was the requirement for a pleasant work environment for its employees, including a wide range of restaurants, shops, wellness centres and various other services. In addition to its high standard of office premises, the Filadelfie Office Building also offers a considerable amount of flexibility in its interiors as well as savings on operating costs.

## Sports Ground Open All-Year-Long

A multipurpose sports ground, which is open all-year-long, can be found on Baarova Street, immediately adjacent to the Christian Primary School Eliáš. You wonder why we say 'multipurpose'? This facility can serve a wide variety of sports such as football, floorball, badminton, basketball, volleyball, handball and tennis as it provides a flexible layout as well as equipment. The ground, 44 x 24 metres in size, can be booked at [www.viceucelovehriste.cz](http://www.viceucelovehriste.cz). It is open every day, from Monday through Sunday, between 8 am and 10 pm. In addition to the pitch, you can find modern and effective amenities, including changing rooms complete with showers.

The hire charges are subject to season: in summer you pay CZK 250 for an hour at the tennis court and CZK 400 for an hour at the football or other sport pitch between 8 am and 5 pm, CZK 550 between 5 pm and 10 pm, and CZK 500 at weekends.

## THE WINNER OF THE 11TH BB CENTRUM CUP 2011 IS THE ČEZ GROUP TEAM

The ninth traditional five-a-side football tournament, aptly named as BB Centrum CUP 2011, took place on the first Friday of June. On that day the teams of the BB Centrum tenants arrived at FK Slavoj Vyšehrad's sports ground in Prague 4. Like every year, the tournament was organized by PASSERINVEST GROUP, whose team also took part in the competition. Aside from the organizer, the list of participants consisted of Hewlett-Packard, ROSS, HUAWEI, ČEZ Group and the Balance Club Brumlovka.

After half a day of fighting the challenge cup went to the team, put together by ČEZ GROUP. The Balance Club Brumlovka team took second place and the Hewlett-Packard players got a bronze.
